TOWN WARRANT

STATE OF NEW HAMPSHIRE

[L. S.]

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the fourteenth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

First—To choose all necessary officers and agents for the ensuing year, including a member of the Board of Selectmen for three years.

Second—To see how much money the Town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see if the Town will vote to raise and appropriate the sum of four hundred (\$400.00) dollars for improvements in our cemeteries.

Fourth—To see if the Town will vote to raise and appropriate the sum of one hundred fifty (\$150.00) dollars for maintenance and improvement of the Barnard Playground.

Fifth—To see if the Town will vote to raise and appropriate the sum of four hundred (\$400.00) dollars, the State to furnish one hundred (\$100.00) dollars additional, for the control of the White Pine Blister Rust.

Sixth—To see if the Town will vote to allow its selectmen

to hire sufficient money to meet the current expenses of the Town in anticipation of its 1933 taxes.

Seventh—To see if the Town will vote to allow it's selectmen to renew the note for twenty thousand (\$20,000.00) dollars held by the Hillsborough County Savings Bank on which, January 31, 1933, there was unpaid sixteen thousand (\$16,000.00) dollars, at such time as the bank may require.

Eighth—To see if the Town will vote to purchase additional equipment to be used in maintaining our winter roads and to raise and appropriate money for the same.

Ninth—To see if the Town will vote to raise and appropriate the sum of money sufficient for the completion of the State Aid Road to New Boston and erection of a bridge over the Bog Brook near the gravel bank, the State to furnish an equal sum.

Tenth—To see if the Town will vote to lay out and improve Fairview Street, so called, from land of one Charest to Kermack Street, a distance of about twenty-eight hundred feet, as shown on plans of Beacon Terrace and Brooklawn Park, on file at the Hillsborough County Registry of Deeds at Nashua, N. H., and raise and appropriate money for the same.

Eleventh—To see if the Town will vote to lay out and improve Eden Street, so called, from the Mast Road to Warren Avenue, said street being shown on the plans of lots known as Pine Hill and Beacon Terrace, both of which are on file at the Hillsborough County Registry of Deeds at Nashua, N. H., and raise and appropriate money for the same.

Twelfth—To see if the Town will vote to have four hydrants installed on the Back Road between the Manchester line and Hillcrest farm, known as the Weston place, should the water main be extended from the Manchester line westward to said Weston farm, and raise and appropriate money for the same.

Thirteenth—To see if the Town will vote to adopt the pro-

visions of Chapter 163 of the Public Laws relating to licensing the sale of milk and cream.

Fourteenth—To raise and appropriate such sum of money as may be necessary for the support of the poor, for the repairs of highways and bridges, and for Memorial Day and other legitimate Town expenses for the ensuing year.

Fifteenth—To hear the reports of agents, auditors and committees and pass any vote relating thereto.

Sixteenth—To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-fifth day of February, 1933.

GEORGE L. EATON,
LESTER CLARK
CHARLES E. PHELPS,
Selectmen of Goffstown.

ANNUAL REPORT OF THE FIRE DEPARTMENT

Fellow Citizens of the Town of Goffstown:

May we, as members of the Board of Fire Wardens of the Fire Precinct, offer to you a few suggestions. As property owners and taxpayers we meet you on a common level. It is most sincerely our wish, that all owners of property, as well as tenants, see that their chimneys are cleaned regularly. Please see that they are not defective. Should your chimney get on fire have sulphur ready to put in the fire box also salt to throw into the chimney to cool it down.

It is our duty to assist you in your hour of need, and we are always ready to do so, but during the past years we have answered many calls which were unnecessary and therefore a needless expense added to the already overburdened taxpayer. Act now, fix that chimney and then be prepared with sulphur and salt.

The expense to the Town for chimney fires last year was \$47.80, that of the Precinct \$117.55. Three chimneys in the Precinct were found defective.

During the year we had 51 calls. Forty were still alarms and 11 alarms were blown. Thirty-one were Town calls, 19 were Precinct and one for New Boston.

Esterbrook's Brooder House was a total loss, the Manchester Fire Department responded before we were notified by Chief French to send aid. The same may be said of the Beaudin cottage in the same locality. Dropped lamp.

The McMorro cottage on Shirley Hill was also totally destroyed, nearly every room in the house was afire when fire-men arrived. Carelessness.

A camp at Glen Lake was also practically consumed before the alarm was sounded.

The Albert George place at Grasmere proved the worth of our new apparatus, three rooms being on fire were quickly extinguished with the aid of the pump and booster tank.

Defective chimney destroyed the Makarias and Metropolis homes and damaged the Hood place. Paper blowing against a brooder stove caused a fire which destroyed the brooder house of Louis Prince. The Norcross place was practically destroyed. A dog awoke the family and the house was badly gutted by flames before the alarm was sounded.

We wish to thank all members of the Fire Department, as well as the Townspeople for their loyalty and support in the past, and trust those pleasant relations will continue.

Respectfully,

W. A. PAIGE, *Chief*,
 W. A. MARTIN, *Assistant*
 H. J. RICHARDS, *Assistant*,
 H. M. SMITH,
 R. M. GORDON,
Fire Wardens.

REPORT OF THE RECREATION COMMISSION FOR THE CARE OF BARNARD'S PLAYGROUND

To each member of the Playground Commission was allotted a department of the care and upkeep of the Playground as in the past year.

Much needed repairs were made on the dam; the tennis court was taped and conditioned as usual. Baseball plates and bases were replaced. The bubbler, the gift of the Shirley Club in previous years, was repaired and also the slide, another gift by the same organization.

The tennis court was much patronized, the baseball diamond, the pond before the dry spell set in, and the children's equipment.

Community services and also picnics were held.

The winter season offered unusual opportunity for skating this year. The lights were turned on every evening during skating.

The flag, under the supervision of the Scout Master, was raised on all holidays calling for it. The Scouts, Richard Bryant and Charles Thorp, were asked to carry out this order.

The Playground has gradually become an indispensable recreation of the town.

Delbert E. Smith, after serving six years as chairman of this Commission, has withdrawn from the Committee, and Raymond Ewart was elected in his place. The conscientious and faithful service Mr. Smith rendered this Commission is much appreciated by the Commission as well as the Town.

The balance of the Better Pond Fund was used toward the expense incurred in the repair of the dam.

REPORT OF TRUSTEES OF GOFFSTOWN MEMORIAL LIBRARY

A consistent increase in circulation indicates the growing usefulness of our library and a better appreciation of its facilities on the part of the townspeople. During the past year, more than ever before, high school pupils have made use of the books in connection with their studies, both for reference work and for home reading. Owing to our decreased appropriation it was impossible to continue the Monday afternoon opening. We are looking forward to the time when the library can be kept open every day in order that the books may be one hundred per cent useful.

A valuable addition to our reference collection is "The Pageant of America," in 15 volumes, presented by Mrs. Annie Kendall Morgan of Garden City, N. Y., a native and long-time resident of Goffstown. The books deal with the history, art, industries, etc., of our country and we are most grateful to Mrs. Morgan for her generous gift.

Donations of \$25 and \$30 for the purchase of books from the Unity Club and the Shirley Club, respectively, were much appreciated. From the Carnegie Endowment for International Peace the library received 30 volumes, while other organizations and individuals gave books and magazines. All of these we gratefully acknowledge.

As in past years, the Vacation Reading Club was conducted during the summer, with about 15 children reading the required number of books and enjoying the party which was given for them in the fall. Miss Marden made 24 trips to Grasmere where an increase in the number of volumes circulated demonstrates the appreciation of this service by the residents of that section.

The installation of electrical equipment in the furnace for a forced draft, with a grate for burning buckwheat coal, has resulted in better heat at a considerable saving in the cost of fuel.

By having to carry over funds to last until 1933 taxes are received we have a cash balance of \$121, and in order not to further curtail the service of this department we shall need at least \$800, to be apportioned as follows:

Salaries:

Librarian and assistant	\$436.00
Janitor	100.00
Fuel	125.00
Books and periodicals	200.00
Insurance	131.00
Miscellaneous expenses	25.00
	\$1,017.00
Amount raised by law	186.00

REPORT OF CEMETERY TRUSTEES

There seems to be an increase of interest in the care of our cemeteries as shown by the inquiries about our perpetual care fund and more donations to it.

Owing to the dryness of the past summer the lawns were hard to keep in their usual good condition and may in some spots need reseeding.

At Westlawn, the ravine should be graded, thereby adding to its appearance and furnishing a number of much needed lots.

In the near future a new road should be built to make easier of access the newly laid out lawns in Hillside Cemetery and some new fence should be erected.

The cemetery on Shirley Hill should be mowed earlier and oftener during the season.

To the Superintendents of Cemeteries we wish to extend our thanks for the faithful performance of their duties and for many courtesies shown.

Respectfully submitted,

FRANK W. KENDALL,
FRANK A. PARKER,
EDGAR W. POORE,
LOUIS R. GREGG,
GEORGE L. EATON,

Trustees.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Goffstown Special District:

At the close of last school year Miss May Harlow retired from teaching, after a period of splendid service in the community. Miss Virginia Lovell was elected to fill the vacancy thus created. Other than this there has been no change in the teaching force.

The elementary enrollment is approximately 150 pupils. The High School enrolls 94—the largest number for several years.

Due to reduction in salaries of superintendent and teachers, omission of a music supervisor and a teacher of sewing and with reduced appropriations for books and supplies, the actual operating expense will be lower this year. However, the demands on elementary teachers and books and supplies are as before, while in High School these demands are greater.

In the desire, and sometimes haste, to “reduce expenses,” care should be exercised not to sacrifice achievement or standards of work. Consider items such as these:

Item I. In New Hampshire there are twenty-five High Schools in the class enrolling 60 to 100 pupils. Goffstown is in this group. Each year from these schools a considerable number enter college. The accomplishment and scholarship of these in their first college year, are taken to indicate something of the effectiveness and thoroughness of their High School training. Judged by this, over the past five-year period, Goffstown High School ranks in the fifth place—among the 25 schools with comparatively small difference in the first five ratings.

Item II. On the same basis as above for college freshmen last year Goffstown High School was in the second highest ranking for the same twenty-five schools.

Item III. In the Liberal Arts group of the present Senior class at the State University, one of the two highest honor students is a graduate of this school.

Item IV. At the State University last fall there were about 500 freshmen. By examinations, out of the 500, twenty were excused from Freshman English. Of this 20—only three were follows—and one of them a graduate of Goffstown.

Item V. A year ago last fall at the State University in a group of competitive scholastic examinations—the student who won first place and a scholarship was a graduate of this High School.

Item VI. Out of last year's High School graduates here, four have entered colleges outside of New Hampshire without examinations. They entered on their records made here.

Such items indicate a something in the work of the High School—that is not the result of chance—or accident or mistake. This something must not be lost—represents too much.

ABOUT ATHLETICS

That "athletics" are not "supported" by funds from the School Budget should be clearly understood. The Athletic Association has two sources of income. One is a \$.50 membership fee from High School pupils and teachers who wish to join. The other source is the receipts from admission to basketball games. By careful management the money thus received is made to pay for suits, uniforms, balls, bats and other equipment, also pays referees and transportation. Baseball is a loss financially—basketball has to carry the whole load. And it does, thanks to the loyal backing of "fans" and supporters here.

Following are two lists—the first a list of those graduating

from Grammar School last June. The second records those finishing High School last June.

GRAMMAR SCHOOL GRADUATES JUNE 1932

Paul Bailey	Alice Pierce
Richard Bryant	Charles Thorp
Helen Gove	Barbara Thorp
Donald Hall	Richard Watt
Langley Hall	Franklin Wilson
Henry Kelley	Dora Whipple
Hugh Lamson	Lura Whipple
Josephine Lyon	Emily Whipple
Eleanor Metopolos	Margaret Whitten
Gladys Phelps	Mary Zesis

All of these but two entered High School.

HIGH SCHOOL GRADUATES JUNE 1932

Clara Anderson	Myrtie Marshall
Leslie Boardman	Richard Pierce
Hilda Dalgetty	Grace Shirley
Florence Gage	Elizabeth Tarney
Marjorie Leney	Dorothy Wheeler

Marjorie Wheeler

Eight of the above are now in Post-Secondary institutions.

The "items" above relate principally to High School, and that isn't all of the story. But it is part of that part of it.

Respectfully yours,

J. BRYON TARNEY,
Superintendent of Schools.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Goffstown Town School District:

Although this has been a year when many lines of work have been lessened and slowed up, it has not been true of the public schools. The census of last September shows a total of 561 persons between the ages of 5 and 16 years in this district. This is an increase of 20 over the preceding year. The result is that the demands on the schools are no less than previously. Rather, the contrary is true and work is being carried on with the smaller amount of funds available.

One of the large recurring items in the budget has been that for transportation. This amount has been reduced about \$1700 for this present year, as the result of reductions in compensation for carriers—partly because no pupils living less than two miles from school are carried.

During last summer vacation the Grasmere School rooms were renovated—walls, ceilings—completely redone. The old shutters at windows were removed and shades were put in place to afford some means of controlling the light. New blackboard was installed along the front of the Grammar room—thirty-five movable seats replaced there the old collection of different sizes and makes. New tanks were put in for the chemical toilets—and drainage examined and found clear. Some shelves were built in to provide ampler and better space for lunches, books and supplies.

Recently, the Manchester School Board voted that beginning February 1, 1933, the tuition in Manchester High Schools should be \$100 per pupil per school year. The first half of this year the rate had been just a little under \$90. Formerly when a pupil, whose tuition had been paid for a

half year, would leave school, a credit would be allowed the district for the remaining weeks for which payment had been made. Under Manchester's new ruling no such credits will be allowed. A half year tuition will be required from all who enter High School even if they remain only a few days or weeks. The rate means an increase, at present, of a little more than \$10 per pupil. As there are approximately 30 pupils from this district in Manchester it means an increase of about \$300 over the former amount.

The situation is this: The district must provide High School opportunity for those who qualify for it and who desire it. This year the Town District has had 32 different pupils in West Side High in Manchester and 23 in Goffstown High or a total of 55 different pupils. At present the number is over 54.

The elementary tuition for pupils in the Independent School District has been raised from \$36 to \$50 per year. This year there are eight elementary tuition pupils from this district in Goffstown Village School.

The School Nurse, in addition to her usual duties, has done much more in helping to distribute food and clothing to needy families. Although there has been a great deal of real need, the attendance at school has suffered but little because of lack of food or clothes, and the "general health" has been good among the school children.

Below are two lists of pupils—one indicating those graduated from eighth grade last June. The other list gives the High School pupils from this district at present.

In closing, I wish to express my own deep personal regard for Mr. George E. Whitney, who for 24 years as a member of the Town School Board, has given of time and energy in planning for the welfare of the young people through the channel of the public schools. Not only in length of time is it an unusual record, but also in the spirit of sympathy, understanding and devotion.

Respectfully submitted,

J. BYRON TARNEY,

Superintendent of Schools.
